

Introduction

The following report provides summary statistics by region, for the multijurisdictional drug task forces funded by the Department of Public Safety through the end of the second quarter fiscal year 2008. For each region, information is provided on the name of the task forces operating in that region, the lead agency and counties covered by each of the task forces.

For each region a more detailed examination provides statistics on the number of officers involved, new cases initiated, search warrants by disposition, drug and non-drug arrest along with charges, drug purchased and seized, marijuana eradication, number of methamphetamine labs destroyed, asset seizures and forfeitures, and weapons seized by the task forces in the region.

Nineteen counties in Missouri were not involved in any multijurisdictional drug task force as of October, 2007. The counties that were not involved are: Bates, Benton, Carter, Cass, Carroll, Cedar, Dade, Henry, Hickory, Johnson, Lincoln, Newton, Osage, Ray, Reynolds, Saline, Schuyler, Shannon, and Wayne.
